

# Help Out on State Natural Areas

## Ridgeway Pine Relict Workday

**Join in!** Ridgeway features towering cliffs of pine with northern plant species underneath and extensive oak savanna. Help the Friends of Ridgeway Pine Relict, Inc. care for this site by removing invasive plants and planting native plants. Workdays are once a month on the second Friday. We will be removing invasives by mowing, pulling, or spraying. No experience is necessary, you will be trained on site.

**Date:** June 8

**Time:** 9am-noon

**Directions:** From the intersection of County HHH and H in Ridgeway, go north on H about 0.6 miles to an access lane on the west side of the highway. The access is marked with signs. [Google map.](#)

**What to wear:** Dress for the weather and wear clothes that are OK to get beat up.

**What to bring:** Leather gloves, drinking water, loppers, we will have some extra equipment available for volunteers to use.

**Contact, RSVP:** If you plan to come please contact Mary Kay Baum at [marykbaum@gmail.com](mailto:marykbaum@gmail.com) or (608) 935-5834.
